LIONS HEAR AIR FORCE LEGAL AID

Lt. Col. D. Brandon Bernstein, U. S. Army Air Force, who as post judge advocate and base judge advocate in the European Command; handled some 10,000 criminal cases involving Germans, D.P.'s and foreign nationals, addressed Torrance Lions Club on Tuesday noon. He was introduced by Paul Diamond, second vice president of the club and personal friend of Bernstein.

During the past three and one-half years, Bernstein was senior District Military Government Judge at Kassel and at Frankfurt, Germany. At Kassel he had jurisdiction over an area comparable to twelve American counties, where he tried and supervised the trials of a great number of cases, including imposing of the death sentence as president of the general court. He was the senior judge at Frankfurt, Germany, for more than a year and was in charge of this important area comprising the U. S. Army headquarters.

Judge Bernstein, who addressed the Lions on his experiences, had been highly commended for many policy-making judicial decisions, including the clarification of the law as it affected law enforcement agents as well as the law of search and seizure insofar as German D.P.'s, Allied Nationals and American personnel are concerned. Several of his decisions have received wide circulation in the United States press.

Judge Bernstein, veteran of both World Wars, has retired to private practice, and maintains law offices in both Los Angeles and Long Beach.

As a member of the 5th U. S. Marines in World War I, he was wounded in Chateau-Thierry offensive, and was decorated for bravery in action, receiving the Distinguished Service Cross, the United States Navy War Cross, Purple Heart, Silver Star, the Croix-de-Guerre and other citations.

He is a former Department Commander of the Army and Navy Legion of Valor, Military Order of the Purple Heart, and is past commander of Beverly Hills Chapter 58, DAV. He is a Mason, an Elk and past president of the Los Angeles Lodge, B'nai B'rith.

Al Ewell served as acting president during the Lions' meeting; Donna Marsh played the accordion.

Retail Food Men To Meet at City Hall Monday

Retail food employers of the harbor area will meet in Torrance City Hall Monday at 7:30 p.m. in a conference called by the Food Division of the Harbor Area Employers' Council, according to Thomas K. Ware, director of the Council and member of the Food Division executive committee.

"We will discuss the present labor contract and provisions to be negotiated in event the contract with the Retail Clerks Union is reopened," Ware said. "Notice of reopening must be given by either party prior to September 1, 1949. The contract otherwise would continue in effect after its November 1 expiration date."

Also to be discussed will be the area-wide contract such as has been adopted in principal by all other retail clerks unions and food employers throughout Southern California, except in the harbor area, Ware said. The contract provides for uniform pay, holidays, arbitration, expiration dates, interim reopening dates, and other matters, he pointed out. It runs from January 1, 1950 to April 1, 1951, with an interim reopening date on wages provided for July 1, 1950.
